

# Darnall Herald

August 2004

Volume 3 Issue 1

**Want help looking for work?  
Help with improving your confidence?  
Then Visit Darnall Jobs Fair on Tuesday 17th August**

**O**n Tuesday 17th August the Darnall Jobs Fair will be in the Sheffield Action Team Bus at York Road Surgery from 2.00 pm to 4.30 pm and Joblink on Main Road between 5.30pm and 7.30pm.

If you are thinking about getting a job, considering a job for the first time, feeling a bit unsure or not very confident about what to do. Some one will be at hand to talk to you. We want to work with you to help you find out what's the best for you. There are some exciting opportunities at B&Q and Polestar coming up, find out about them at the Jobs Fair

## Jobs at B&Q

**B**&Q are opening a DIY Warehouse on Greenland Road in January 2005 and will want around 250 staff. Information will be available at the Jobs Fair about these jobs and pre-employment training you might want to participate in. Contact Tony Hall on 2755106 if you can't get to the Jobs Fair

The new B&Q Warehouse being built on Greenland Road will need 250 staff

## Jobs at Polestar

**W**ork is under way to build a new printing plant on Shepcote Lane on the old British Steel Site (see Picture). Polestar the company who will operate the plant will need around 500 employees by March 2005.

Pre Employment Training will be available. Don't waste any time if you are interested, visit the Jobs Fair on 17th August where

Site clearance work ahead of building Polestar's Printing Works on Shepcote Lane

more details will be available including arranging help with CV's application forms etc. Contact Tony Hall on 2755106 if you can't get to the Jobs Fair

 All South Yorkshire concessionary fares and travelpasses are available subject to usual conditions

# Darnall Community Action Plan.... the projects begin.....

Serving the local community

**D**arnall Forum is very pleased to announce that three outlines for Community Action Plan projects are now complete. An update on the details of each project and the progress made to date are given below-

## ENVIRONMENT

It was agreed that we should try and build upon the success of the High Hazels Park Regeneration Project by expanding the remit of the team to cover other green spaces in Darnall. The team will now work to support the development of Darnall Community Park, Phillimore Park and the Kettlebridge site, whilst also continuing the High Hazels Park development programme.

The project also aims to support the development of local action groups to enable those groups to lead in the regeneration of Darnall's Green spaces.

## CRIME & SAFETY

The project will have three aspects, one residential, one aimed at small business and another around Youth Diversionary activities.

The residential element will involve fitting homes that have no existing security equipment and are identified as "at risk" with home security packages. Grants will also be made available to small businesses to help them install additional security equipment.

Additional resources will be made available to increase the number of activities available for young people in Darnall, and to also increase activities during the holiday periods and bonfire night.

## EDUCATION & LEARNING

A "Spread your Wings" mentoring pro-

gramme will be introduced to Walthoof School from September 2004. This programme will provide 30 local people with 10 weeks of mentor training leading to an OCN qualification. As part of the course they will provide a mentoring service to pupils of Walthoof School for five weeks.

The project will also support the development of the OnTrack mentoring programme, which is currently running at Walthoof School to provide Year 10 Pupils with mentoring skills to befriended year 7 pupils just starting at the school.

If you would like more information about the Action Plan, or any of the projects outlined above, or you would like to get more involved then please call Diane at *Darnall Forum* on 249 0099.

## Darnall Community Nursery

As a Darnall resident I spotted an article in the January Edition of Darnall Forum looking for volunteers to become Management Committee Members for Darnall Community Nursery Limited and decided to give them a call. After a chat with Claire Ward, Nursery Manager, who couldn't seem to believe their luck! I decided to visit the nursery for a brief introduction and overview of what the nursery is all about.

I immediately felt welcomed by Claire, Linda

Edwards (Development Worker) and other staff I met during the visit and after explaining my background as a Personal Assistant to Company Director and now a full time mum to my five-month old son it seemed only natural for me to join the team.

A couple of months have now passed since my first visit and things are moving along at a good pace. Darnall Community Nursery Limited is a fantastic asset to the local community and is something to be proud of, in both what has already been achieved and with the aims for the future.
