Designer homebuilder Strata is thrilled to be taking part in the Darnall Carnival for the first time in 2008.

Strata will take a stand at the festival and will be handing out exclusive deals on the homes at Imagine. As Wendy Linley, Strata's sales director said:

'The festival is a fantastic opportunity for us to get to know the local community further and for people to come and talk to us and see what great deals we will be offering on the day.'

Strata is currently building a series of stylish new homes on Staniforth Road in Darnall. The development which is called Imagine is now a firm part of the community, having already attracted many local families because of its great design and fantastic layout.

Imagine is a development of three, four and five bedroomed family homes, which have been carefully designed to appeal to the wider community. New internal layouts mean that the homes are hugely flexible with plenty of rooms to use as you need. Prices at Imagine start from £160,000 so you could be living the designer lifestyle sooner than you imagine.
