HANDSWORTH
COMMUNITY
FORUM

The end of the Forum but community life goes on

A farewell message from the Chair

It has been my great honour and privilege to be the chair of Handsworth Community Forum for the past 11 years. It is hard to believe that the day has finally come to close the community office and make staff redundant. Despite the Forum raising over £2m for Handsworth since 2002, sadly we are one of the many groups who have fallen victim of the reduction in grant funding.

Though we have been unable to raise funds to continue our work, I am proud of what we have achieved over the years. We have tried our best to involve you, the community, in our projects and I want to offer my sincere thanks to all of you who have supported the Forum over the years, you are a credit to Handsworth.

I would also like to thank and honour my colleagues on the volunteer management committee who have served the Forum and the community diligently and often without recognition. We have spent many hours together in meetings discussing, planning and budgeting for community projects. Without their willingness to serve we would have closed years ago! We have also been very fortunate to have excellent staff who have been an integral part of everything that we have achieved. With their skills and expertise we have been able to develop new groups, events and activities as well as raising the profile of existing ones.

I hope that the Forum will leave a lasting legacy for others to follow, perhaps in years to come new residents will step forward to continue where we left off. In the mean time, it is heartening to read through this final directory and see so many different community groups and activities represented. I hope you will hold on to this edition and keep a note of their contact details for future reference.

I appeal to you, fellow residents, to support those who remain active in the community because they share our vision for a closer knit community with improved quality of life.

My regards to you all, Maurice Littlewood MBE.

Contents

This guide has been produced by Handsworth Community Forum and is distributed free to Handsworth residents.

Listings in the guide are correct at the time of printing, but please contact groups/activities before attending.

Handsworth Community Forum will close on 31st May 2013 due to lack of funding. We hope you find this final publication useful.
