Protest against closure of Sheffield College provision in Tinsley

Students who attend Sheffield College Tinsley based courses took part in a protest against the closure of classes in Tinsley and other community based venues. The protest was at Sheffield Colleges main site at Castle. There will be no Sheffield College courses in Tinsley from September. A delegation of students and supporters put forward a powerful case for keeping the centres open, but Heather MacDonald Chief Executive of the college, said: "We are facing substantial funding cuts. Pulling back from community-based provision has been a difficult decision." Darnall Ward Councillor Mary Lea said "Sheffield College had always done excellent work in our community, the Coalition Government's spending cuts have led to this situation."

This is a big blow for Tinsley residents on ESOL Courses (learning English). Not only will they have to travel to town for courses, but the Government has changed the eligibility of people paying reduced fees. The courses cost between £600 and £800 per student. This will put learning English as a Second Language out of reach of most people in the area.

Loss of £14,000 rent from College threatens viability of Tinsley One Stop Shop

A knock on effect of closing the courses which are held at Tinsley One Stop Shop is that Tinsley Forum lose £14000 a year rent, seriously affecting the viability of Tinsley Advice Service and Tinsley Forum. Both organisations are urgently reviewing how they will be able afford to stay in building. Both organisations have approached East Community Assembly for help.

Tinsley Community Allotment is open Friday Mornings 10am to 12 noon for gardening sessions. Its not all about heavy digging you might want to plant seeds, learn how to look after the plants, do a bit of weeding, chat to fellow volunteers and watch the vegetables grow. A warm welcome awaits you.

East Community Assembly Small Grants 2011/2012

Do you need some funding for your group? Well look no further, we might be able to help.

The East Community Assembly has small grants of up to £2000 per project to award to small groups in the Richmond, Arbourthorne, Darnall and Manor Castle Wards.

The first round closed on Tuesday 3rd May 2011. The second round is open from Monday 9th May 2011 to Monday 6th June, and will run alongside the Kids activity funding stream. There will be a third round in September if funds are left to allocate.

Please visit the East Community Assembly website www.sheffield.gov.uk/in-your-area/community-assemblies for guidance and the application forms or call the office on 0114 2735708 and we will gladly put the information in the post to you. If you are applying for a grant that involves working with or activities for children, then additional forms need completing.

Please return all forms to: East Community Assembly, Block A, Staniforth Road Depot, Staniforth Road, Sheffield, S9 3HD or email your forms to: communityassemblyeast@sheffield.gov.uk

Kids Can Do

Kids Can Do Grants are for small voluntary, community and self-help groups that want to make a difference in their local community by providing positive activities for young people aged between 8 and 13 years. We expect at least 75% of the young people taking part to be aged 8-13 and activities should be based on what young people say they want. We are keen to see adults involved as role models, including parents and families.

The maximum allocation is £1,000 per project. The first round is open from Monday 9th May closing Monday 6th June 2011. There will be another round in September 2011.

To obtain an application form contact the East Community Assembly Team, email: communityassemblyeast@sheffield.gov.uk, download the information from the internet www.sheffield.gov.uk/in-your-area/community-assemblies or call the office on 0114 273 5708.

Highways Schemes

The East Community Assembly was allocated £275,000 in 2010/11 for highways improvements, in Tinsley this included:

Bawtry Road near St Lawrence Road £30,000

The scheme's primary aim is to make it easier for pedestrians to walk to and from bus stops located on the opposite side of the road to where they live and is combined with a larger scheme to improve outside Highgate shops.

Expected to start on site Summer 2011.

A New Look for Tinsley Centre – Update

Artist Mike Johnson will be visiting Tinsley Infants School on 15th June to do a special workshop with the children and parents there. The workshops will produce ideas for what could feature in the new artwork as part of the improvements to the shops. Mike will also be visiting the Tinsley Green Café later in June to show how the designs have been developed with the schools. So do talk to him and have a look at the ideas if you are in there!

Mike's previous work can be viewed at

<http://www.michaeljohnsonsculptor.co.uk/>

There is not yet a date for a start on site as some contract matters need to be sorted out but the work should start on site and be finished this year.

Mrs Ivy Richards

The Tinsley Over 60's club are sad to announce the death of Mrs Ivy Richards on April 6th 2011. Ivy was not just the eldest member (99 not out) but also one of the founder members having joined in 1960. Ivy was a lovely lady, who never missed a day trip and particularly the Christmas meal, when she came in all her "bling", so goodbye Ivy, God bless you, you will be sadly missed by us all, and our thoughts are with your family.
